

Corporate Reps Unlimited Standards

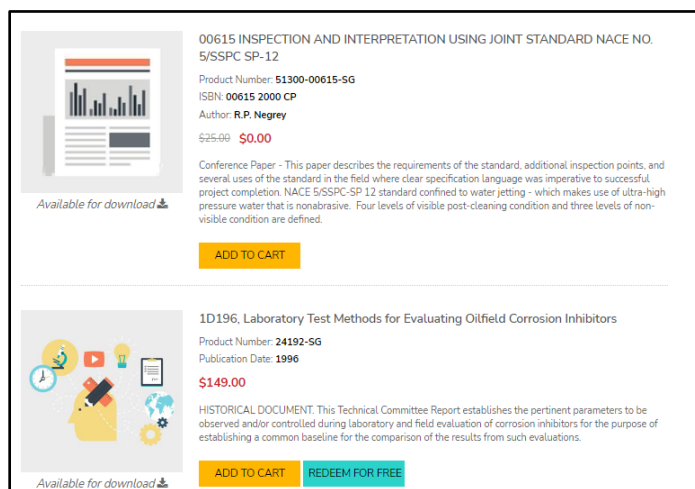

Online Access

1. Go to the AMPP Store <https://store.ampp.org/> and **Log In** at the top right corner by entering in your own AMPP login credentials.

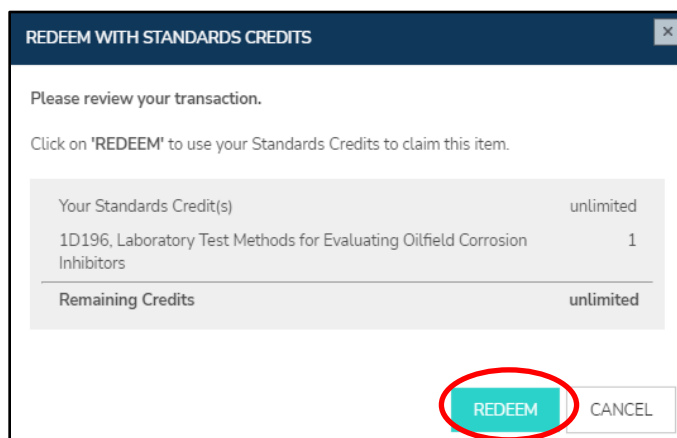

Note: If it does not say “welcome” then you must hit that log in button again.

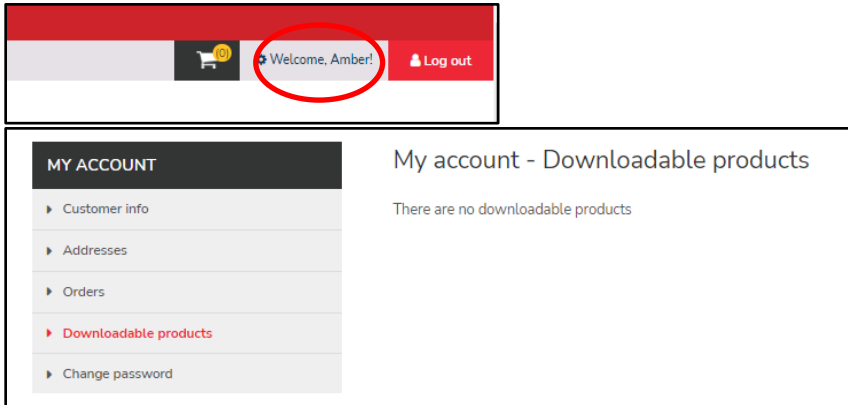

2. Search the **Standard** or browse all from the Standards drop down. If the standard is \$0 for members, **ADD TO CART**. If the standard has a member price, **REDEEM FOR FREE**. (Example below) **Note:** Joint ISO adopted standards are not part of the corporate benefit.

3. Confirm by hitting the **REDEEM** button.

4. To get to your **Downloadable Products**, click on the “**Welcome, (your name)**” at the top.

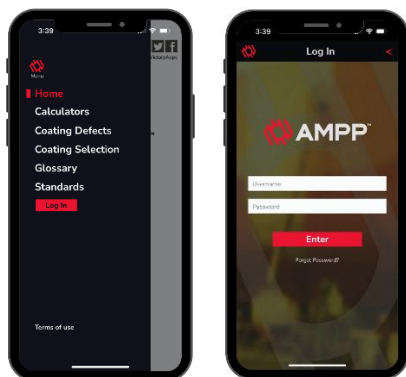

AMPP App Access

1. Download the AMPP App from iTunes or Google Play.

2. From the Menu, select **Log In**. Your log in is the same as your ampp.org log in.
Note: only representatives on a corporate membership can log in and access standards. If you are not part of a corporate membership, you will receive an “incorrect password” message.

3. Once logged in, you can select **Standards** from the Menu. Choose the standard you are interested in and view that standard from the app.

Note: Only SSPC standards are currently available through the app. If you would like to download NACE or AMPP standards, please visit the AMPP store at ampp.org.
